

## Consent to the use of photos

I, \_\_\_\_\_ (first name, surname)

agree that all photographs taken of me may be used and published within the framework of the legal regulations, information and advertising purposes of the Landesjugendring Schleswig-Holstein (LJR).

Media in which the photos may be published:

- Print media as part of the LJR's work report for distribution to politicians and friendly associations,
- Digital media as part of the LJR's work report (download the work report at [www.ljrsh.de](http://www.ljrsh.de)),
- Social media channels of the LJR (Facebook, Instagram and YouTube)
- press coverage

The rights are granted without remuneration and include the right to edit, provided that the editing is not distorting.

\_\_\_\_\_  
Date, signature of the recipient of the rights of use

\_\_\_\_\_  
Date, signature of the person depicted or the person with parental authority

## Legal basis:

The right to one's own image is part of the general right of personality protected by law (§ 22, Art Copyright Act). The principle applies that photos may only be distributed or published with the consent of the person depicted. This is a legal declaration of intent. Therefore, in the case of minors, consent can only be given by a legal representative.
